Home-School Book

We will write in the home-school book daily accompanied by a message on the switches. Please can you spend a few moments to write in the diary and to record a message as we listen to them on a daily basis during registration, this does encourage communication with the student, staff and their peers. Please check home- school books for information sent home.

Thank you for taking the time to read this flyer. If you have any other queries, please don't hesitate to contact us. You can contact me direct on our class phone if you have any questions; this is also the number to use if your student is off school for any reason. - **01908 371271**
