

Supporting Learning at Home

Dear Parent(s) or Guardains,

In this flyer you will find information about some of the topics we will be working on this term, and ways in which you can support your child's learning at home. There is also a timetable and a list of related requirements.

Our topic this term is **Seasons, weathering, rocks and the Earth's tilt.**

Swimming - Mid February - July

Willow Group will be swimming every Monday, beginning Mid-February.

We will inform you when swimming will start in the preceding week.

Please send your child into school with:

- a swimming costume/trunks
- a towel
- in a bag that is large enough for them to put all their

clothes into.

PE - every Thursday

Please send a PE kit (any comfortable shorts and T-shirt) in a bag to keep in school and some trainers if want to. We will send it home every half-term for you to wash.

Hygiene Sessions

After the success of the hygiene sessions introduced in the Summer term, we would like to continue these sessions each day at school. These sessions will continue to reinforce the importance of looking after ourselves and keeping our bodies clean and healthy. After lunch the children will have an opportunity to brush their teeth, brush their hair, and wash their faces with a flannel. If you would like your child to participate in these sessions please send in a small wash bag to keep in school containing a toothbrush, toothpaste, comb, and flannel.

Thank you for taking the time to read this flyer. If you have any other queries, please don't hesitate to contact us.

Siobhan, Emily, Sam, Angela and Coral
