

Supporting Learning at Home Willow Class

Dear Parent(s)/Guardian(s),

In this flyer you will find information about some of the topics we will be working on this term, and ways in which you can support your child's learning at home. There is also a timetable and a list of related requirements.

Our topic this term is **Gravity and The Continents and their countries.**

Swimming - Will start next term 19th February.

Willow Group will be swimming every Monday, beginning on Monday 19th February. Please send your child into school every Monday with:

- a swimming costume/trunks
- a towel
- a bag big enough to put their clothes in while they swim.

PE - every Thursday

We will be working on using the gymnastic equipment, learning to safely balance and move around pieces of equipment. We will learn how to safely get pieces of equipment out and put mats around them before using them.

Please send a PE kit (any comfortable shorts and T-shirt) and all in a bag to keep in school with their name on all items of clothing. We will send it home every half-term for you to wash.

Sometimes due to timings we are unable to get changed as our lesson is only half an hour long. Please let me know if you are happy for your child to participate in PE by taking their socks and shoes off or whether you would rather they got changed.

Thank you for taking the time to read this flyer. If you have any other queries, please don't hesitate to contact us.

Siobhan, Emily, Sam and Megan
