

## Upper 2 Update

Dear Parent,

In this flyer you will find information about some of the topics we will be working on this term, and ways in which you can support your child's learning at home.

Our topic this term is, Sea, Sky and Land

What we will do in school...

What you could do together at home...

**Science:** We will be looking at the water cycle and weather and climates .

Encourage your Young Person to look at weather reports from a variety of sources

### Literacy

We will be reading the book Gullivers Travels. We will be concentrating on prediction, identifying words in context and writing in paragraphs

Encourage your YP to look and book covers and the blurb and to discuss what they think will happen.

### Cookery

We will be cooking main meals this term. We will look at the food groups and what makes a healthy meal. The class will be choosing, shopping for and cooking these meals

Discuss what makes a healthy meal at home. We would welcome recipes of their favourite meals at home for them to cook with the rest of the class.

### Humanities

We will be studying The Ancient Mayan in History. In Geography we will be looking at Rivers and Coasts.

Talk to your YP about any memories of beach holidays that they might have had . We would love any beach photographs for our Coasts Display

### Maths

We will be working on probability, factors, rounding, fractions and place value.

Encourage your YP to estimate what the total will be when you are out shopping together. Encourage them to round each price in order to do this. Discuss the probability of events occurring, maybe such as winning the lottery!

## PE / Swimming

Please send a PE kit (any comfortable shorts, jogging trousers, jumper and T-shirt) in a bag to keep in school. We will send it home every half-term for you to wash. PE is on Tuesdays. We will start swimming again after the May half term. This will be on a Thursday.

## Caldecotte

The boys have thoroughly enjoyed their outdoor activities. These sessions will continue every Wednesday up until May 17<sup>th</sup>.

We will put any important information and put letters in your home school book. So please look through it every day.

Please write to us regarding how your child has been at home and if you have any concerns, also inform us of any information that you think we should be aware of such as illnesses, eating and sleep patterns or achievements and progress that your child has made.

If there is anything I can help you with or if you have any concerns or questions then please do not hesitate to contact me.

Many thanks

Karen, Rebecca, Amy, Lydia, Sean and Katy.
